Commissioner for Patents

See the attached Notice of Non-responsive Amendment.

Gary E. Elkins
Primary Examiner
Art Unit: 3782

Notice of Non-responsive Amendment

1. The reply filed on 07 December 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the election does not include a listing of all the claims readable upon the elected species (figs. 9-11). The reply indicates that claims 21 and 22 are readable, but the application clearly includes additional claims readable upon the elected species. The election of species requirement of 22 November 2006 requires that the response include a listing of all the claims readable upon the elected species. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
